BE EQUIPPED.

Christian Youth in Action® equips students ages 12-18 to know and share the Gospel clearly. You'll be trained to understand God's message and share it effectively with kids.

You'll encounter incredible community, challenging training, and practical application to help you go out, lead, and proclaim. For two weeks or more during the summer, you'll see God at work as you pour into the lives of kids in your own community.

BE BOLD.

CYIA™ sends students out to boldly share their faith through **5-Day Club®**, a ministry of CEF®. These function like a backyard VBS, and make an incredible impact on the kids in your community. You'll be challenged to lead and proclaim as you build relationships with kids who need hope.

Only 3% of American Christians say they have ever shared their faith.

BE TRANSFORMED.

Experience transformative discipleship founded on prayer and fellowship. See God at work in others and yourself. Be poured into, grown, encouraged, and made ready to follow God's call. Gain valuable leadership skills, grow in your knowledge of scripture, and make lifelong friends. The Gospel transforms - let it transform you.
